

Clinical Team:

Green Security is an associate credentialing portal, allowing clearance via **Novant Health Systems**.

This is the associate's responsibility to manage.

PT Solutions has taken the heavy lifting of registration off your plate.

PTS has applied payments for those accounts.

Inside Green Security:

First item, initiate and submit your **background check**.

You will find attestations for Novant, and policies for signature. Manage these items swiftly.

PTS & Novant will be adding drug screens & health results as they are received.

We will handle hard bage & vendor sanctions payments.

If you attended an onboarding fair and had your badge photo taken, PTS will help with adding badge photos.

For those who did not attend an onboarding fair, a badge photo must be added in.

Take a generic photo, shoulders up, in front of a blank wall.

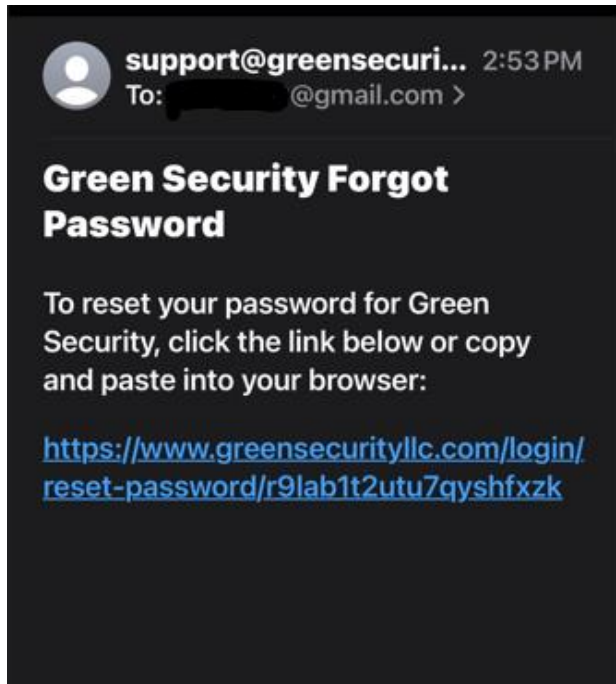

Let the badge task allow the create an invoice, PTS will come in behind the group & pay that.

Please see the screenshots below to assist you with the **Green Security** process.

VENDOR SANCTIONS SCREENING	 Pending Vendor	

Please start by managing and submitting your background check:

Background Check

Please complete the form below.

Green Security obtains Social Security Numbers (SSN) to complete a thorough and accurate background screening. The SSN is encrypted in motion and at rest and is only accessible to the background screening professional completing the check. Additionally, the SSN is removed from the system once the screening has been completed. The background screening will include state and national level sanctions such as OIG, FBI, DEA, FDA, SAM, medicare, medicaid, department of human services and TriCare.

Please note the following:

- We do not accept 3rd-party background checks.
- If you are renewing your credentialing subscription, the background check will not take place until the invoice for your renewal has been paid.
- Additional fees will apply for international checks.
- The files below are for your information only. The "CA Consumer Report Request" document is applicable to California residents only. By entering your electronic signature below you are agreeing to these files. Currently, Green Security does not run a credit check as part of the background screening requirement.
- Screening typically takes 1 to 5 business days, but may take longer depending on the general volume Green Security is experiencing and the complexity of any uploaded documents. If there are findings in the background screening that require additional investigation, the turnaround time may be extended significantly.

Note for Proof of Product/Service Training: If this task is posted in your credential list upload a relevant training form /education diploma.

- **You can use the same license or diploma you used for you iCIMS preboarding tasks.**

Proof of Product/Service Training (Novant)

A list or description of product and/or service training you have received from your company. Please provide a certificate of relevant training, license, relevant educational diploma, OR a letter on your company's letterhead stating that you have been trained in your respective products/services, signed by your manager or superior. The document should contain your name, your title, your company name, your manager's name and his/her title. The products/services outlined in the letter should match your profile's vendor category. For individuals that represent products and/or services for multiple companies, you will be required to upload for each company whose products/services you represent.

Status: Pending vendor upload

Seasonal Flu

1. If you choose not to get the flu shot select one of the 3 exempt options that best works for you:
 - Novant Faith Based
 - Novant Medical Based
 - Novant Health occupation medicine Drug and immunization testing pricing & authorization form

2. Fill out the form
3. Click the decline and upload your exempt form

Seasonal Flu Vaccination/Declination 2024-25 (Novant)

Proof of immunization of seasonal flu. Provide either (1) Proof of Influenza vaccine for current season (document must provide name of vaccine, date given, signature of healthcare worker who administered vaccine), or (2) Novant Health Influenza Exemption Form (rep/NNHW must mask throughout the flu season).

Note: NH reserves the right to determine the start and end of flu season and the completion of the Novant Health Influenza Exemption form to ensure they meet the established criteria.

****FYI**** Novant Health Occupational Medicine is pleased to offer our current vendors preferred pricing for the testing and immunizations associated with our vendor credentialing process and general pre-employment needs. Vendor representatives must bring a government issued ID and a completed "Authorization for Treatment" form to participate (available to download via the link below). Novant Health Occupational Medicine Clinic locations, as well as pricing for testing and immunizations are also outlined in the link below. For any questions regarding this information, please contact Employer Solutions at employersolutions@novanthealth.org or Vendor Management at nonnovantworkers@novanthealth.org.

Proof of Bloodborne Pathogen Training

1. Paste the following link in your web browser to complete the Bloodborne Pathogen Training:
<https://www.novanthealth.org/team-members/non-novant-health-worker/vendor/>

Vendors & Contractors

Mandatory Requirements

If your job:

- **does not** require you to have contact with blood, body substances or patients: complete the [non-clinical non-Novant Health worker module](#).
- **requires** you to have contact with blood, body substances or patients: complete the [clinical non-Novant Health worker module](#).

Vendor/Contractor Credentialing Process:

Novant Health has partnered Green Security LLC. for Vendor/Contractor Credentialing at all Novant Health locations.

The following instructions apply to new or existing Vendors/Contractors who have an active or pending contractual agreement for supplies or services with Novant Health. If your company does not have an active or pending contractual agreement for supplies or services with Novant Health, please do not begin this process as there is a cost involved. If you have questions about the status of an agreement or if credentialing applies to you, please reach out to your Novant Health business contact/sponsor or the Non-Novant Workers email box at nonnovantworkers@novanthealth.org.

1. If you do not have a current Green Security vendor credentialing account, please use the following link to register. Register: Visit our website: <https://grn.ac/novant-vendors>

2. Download training certificate

3. Upload documentation

Proof of Bloodborne Pathogen Training (Novant)

Provide proof that demonstrates your completion and understanding of Bloodborne Pathogens and their specific dangers, as well as, behavior that prevents the spread. If you have not taken BBP training yet, Novant Health offers a Bloodborne Pathogen Training. You may take that course, fill out the Novant Completion Certificate (downloaded within the Green Security platform or on the NNHW Education Module) and upload the completed form. **BE SURE TO ENTER THE DATE OF COMPLETION ON THE NOVANT CERTIFICATE BEFORE UPLOADING.** Directions to access the Bloodborne Pathogen training in the Non-Novant Health Worker Orientation Module: 1. Go to <https://www.novanthealth.org/team-members/non-novant-health-worker/vendor/> - Click "requires you to have contact with blood, body substances or patients: complete the clinical non-Novant Health Worker module." 2. Once you have viewed the BBP module and completed the fillable completion certificate, come back to this credential and upload the completed course documentation. - You may also pay for a course by following the link below. (<https://www.theclinxshop.com/collections/green-security-credentialing/competencies>) If you have already purchased and completed training, you may obtain a certificate of training here: (<https://www.tcxlms.com>)
